

## Questions and Answers

**Q.** Is the intention to award one contract to one vendor with both the Motorola and MA/COM equipment, or two separate contracts (i.e. one for Motorola and one for MA/COM)?

**A.** *The Government intends to award one contract to a contractor who can provide both Motorola and MA/COM radios. However, if a vendor is only capable of producing one brand, they are encouraged to submit the proposal as the Government may make a multiple award if it believes it is in its best interest.*

**Q.** It was suggested that the Government consider making the requirement brand name or equal where available.

**A.** *The stated brand names are required for the Government's purpose and as such, all requirements are found in the RFP as is.*
